AUGUST 2026

Here, There and Everywhere...

Access your energy consumption through **MyEnergy** *online*

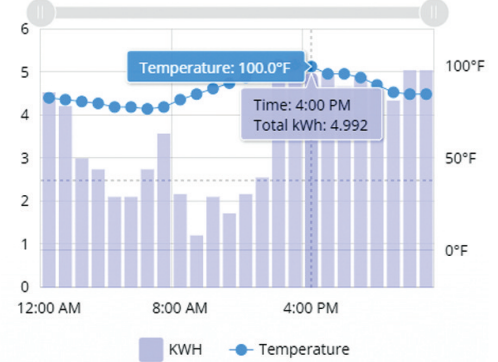

No matter where you are, as a Fairfield Electric Cooperative member, you are encouraged to use the cooperative's MyEnergy Online web portal. The portal gives you the ability to view your bill and account balance, make payments and schedule a text or email as a reminder of the due date.

To Access The Portal:

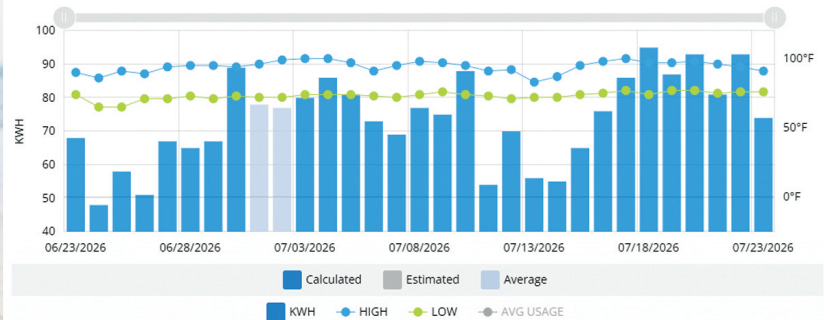

- click on the pay online link on the cooperative's website at Fairfield.coop
- you will need your account number and a password
- to obtain a password, call our office and speak to a customer service representative

The cooperative has also developed mobile apps for iPhone, iPad and Android devices giving members the option of accessing and paying their account whether they are at home, at work or on the go. Everything you can do through the MyEnergy Online web portal can also be done from your smart phone or smart device through the FEC Mobile app.

Daily Usage Chart

Monthly Usage Chart

MyEnergy Online is a great tool. Members can access their daily and hourly usage history and see how the outdoor temperature and daily activities impact their energy consumption.

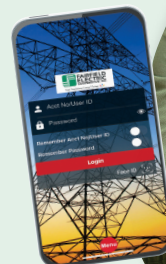

We Put The Power In Your Hands

Manage your account whenever—and wherever—you are with the free FEC Mobile app.

The FEC Mobile app allows you to:

- make bill payments
- report outages
- review bills and payment history
- check account balance
- check on monthly energy usage

Download your FREE FEC Mobile app on all your smart devices

Sit Back and Relax with our **SMART THERMOSTAT PROGRAM**

If you have a smart thermostat, you can help "Beat the Peak" by enrolling in the Smart Thermostat Program.

Fairfield Electric will do all the work by syncing your thermostat to make small automatic adjustments during peak times. Eligible brands include Amazon, Copeland, ecobee, Honeywell and Honeywell Lyric.

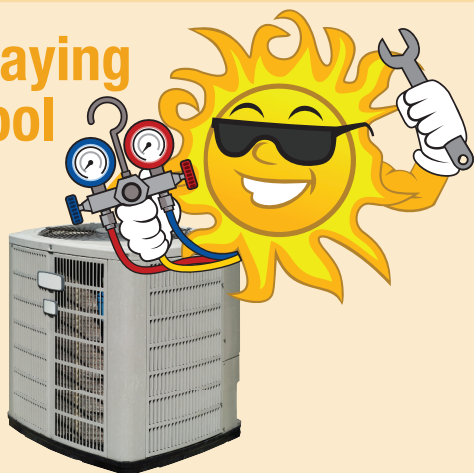

Receive a \$50 bill credit when you enroll, and \$50 bill credits at the end of the first year and the end of each year thereafter. To qualify, the residence must be served by Fairfield Electric Cooperative and have Wi-Fi.

For more information and to sign up, please visit https://www.fairfield.coop/smart_thermostat.

**Receive
\$50 upon
enrollment!**

Staying Cool

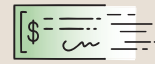

August heat can put your air conditioner to the test, making it a great time to check your system's air filter.

A dirty, clogged filter restricts airflow, forcing your cooling system to work harder than necessary to keep your home comfortable. That extra strain can reduce efficiency, increase energy use and contribute to unnecessary wear and tear on equipment.

Inspect your filter monthly during periods of heavy air conditioner use and replace it if it appears dirty. A clean filter supports efficient operation and can even enhance indoor air quality, helping you stay cool and comfortable during the hottest days of summer.

Simplify The Way You Pay Your Electric Bill By Enrolling In ... **BANK DRAFT**

This free, easy and convenient payment option allows you to pay your bill on time every month without writing a check or calling the payment line.

- When you sign up, Fairfield Electric will begin automatically drafting your checking or savings account for the amount of your monthly electric bill on the due date.
- You will continue to receive statements showing the kWh use and the amount due, but you will not have to write a check or visit the office.
- There are no convenience fees.

**To sign up, call
(800) 628-0336 to speak
to a customer service
representative.**
